

NATIONAL FRAGILE X FOUNDATION 2016 ANNUAL IMPACT REPORT

Accomplishing the mission to help all families living with Fragile X, today and tomorrow always begins with you. Through your donations and volunteer work, the NFXF was, once again, able to accomplish our mission to provide unwavering support for every family affected by Fragile X, while relentlessly pursuing a cure.

We want you to know that every single one of our successes, both locally and nationally, happen because of your support. It is your donations, your volunteer work, and your continued participation in the Fragile X community that keeps the National Fragile X Foundation going strong. We could not do what we do without you – Together, We’re Stronger!

This report highlights our impact in our three mission areas and our audited financial statement for 2016.
