please carpool if
possible. No parking
allowed on grass.**

DONATIONS & SPONSORS

Donations are gratefully accepted. We strongly encourage supporters to create a page on the FirstGiving site to spread awareness of Fragile X Disorders, share your story, and raise funds to support our mission.

Anyone creating a page (with picture and story) before the Walk will receive a FX car magnet.

Any FirstGiving fundraiser and our generous sponsors will receive recognition at these levels:

Platinum \$1500+ -
FX Computer Bag

Gold \$1000-\$1499 -
FX Weekend Duffle Bag

Silver \$500-\$999 -
FX Logo Surprise Incentive

Prizes to be picked up at the Walk while supplies last.

WHAT IS FRAGILE X?

Fragile X is a family of inherited conditions, resulting from mutated gene on the X chromosome.

Fragile X Syndrome

(FXS) is the most common cause of inherited intellectual disabilities and most common known genetic cause of autism. Can cause learning and behavioral challenges ranging from mild to severe.

Fragile X-Associated Tremor Ataxia Syndrome

(FXTAS) affects balance, memory, and causes tremors, in some gene carriers, usually older males.

Fragile X-Associated Primary Ovarian Insufficiency (FXPOI)

is associated with ovarian function leading to infertility and early menopause in some female gene carriers.

OUR MISSION

The Fragile X Resource Center of Missouri unites the local community to:

- > Enrich lives through educational and emotional support
- > Promote public, educational, and professional awareness
- > Support research toward improved treatments and ultimately, cures for Fragile X

For more information about Fragile X visit www.fragileX.org
